PLEASE NOTE:

Town Wide Yard Sales are not usually 'organized' events, and in past years there have been errors in this list which have upset readers who had travelled a distance. Please check in advance or be prepared to take in other sights in case of an error in this list.

Most sales are on Saturdays, but the preceding Fridays evenings are as busy in some towns. In some cities, i.e. London, you'll see that neighbourhoods have sales, i.e. Hyde Park. Please recycle your electronics responsibly. HAVE FUN!!
